

### [IS IMAM AL-MAHDI ABOUT TO EMERGE?](#)

[Articles](#)

[Signs of Last Day](#)

Friday, 05 Rabi'ul Akhir 1432

*There are some Muslims who, impressed by the views of distinguished scholars such as Ibn Khaldun and*

*They should be warned (that this is a Shāhī) false but a people to argue that these who strive with a deep*

We have no doubt that certain members of the of Prophet Muhammad (sallallahu 'alaihi wa sallam) be

This writer has never attempted to use such information in his analysis of events now mysteriously prof

Those who are not convinced by his views expressed in this essay or in other writings and lectures, then

The subject of the emergence of Mahdi has now assumed truly significant importance in the world

We warned in an earlier essay that an Israeli attack on a mosque would certainly provoke the emergence of a

This essay, written in Buenos Aires, Argentina, is its first and only contribution to the Islamic world

*There are some Muslims who, impressed by the views of distinguished scholars such as Ibn Khaldun and*

*They should be warned (that this is a Shāhī) false but a people to argue that these who strive with a deep*

Our understanding of the Qur'ān of meaning' which harmoniously integrates all data from the certain

It is logically inconsistent to say that a wise God, whose purpose is to complete the Promised Messiah's mission, has not yet sent him.

I have argued in *‘Jerusalem in the Qur’an* as well as in other writings that the *Qajār* is the *‘day like*

When those wars do break out, and that should sadly be soon, then those who consider this writer to be a

They would also consider the following present facts to be pertinent when answering the question which

Israel has not as yet established her control over the Arab/Muslim world that surrounds the Euro-Jewish

The territory of the State of Israel has not as yet expanded to encompass the frontiers of the Holy Land and

Israel has not as yet replaced USA as the ruling State in the world;

No Jew has as yet (i.e., in recent times) proclaimed himself to be the Promised Messiah.

The evidence is therefore that Imam al-Mahdi cannot emerge at this time. Such would be inconsistent

Our view, and Allah Knows best, is that the Imam can only emerge at that *Day* when the *‘day like*

A *Hadīth* in the *Sahīh* of

*“How will you be (at that time) when the son of Mary descends amongst you and your Imām will (at that*

(*Sahīh Bukhāri*)

Those who wish to do so must hold the view that a period of at least 20 or 30 years (or less) will elapse before the

Our conclusion therefore is that only a brief period of time will elapse before the return of the .

Since we also argue that 'Isa (as) will not return until *Dajjāl* has appeared, the false

Our gentle readers must therefore remain ever vigilant and guard against the view that he may be before the
